

A Midsummer Night's Dream

Comic Book

Directions: As we read each scene in the play decide on the three or four most important events and list them in chronological order. Then, for each event, copy down one or two lines from the play that best illustrate that event. Next, paraphrase Shakespeare's words into your own language. Finally, collaborate with your row to create a pose for each event. This pose will be photographed and then made into a comic frame. Your row will have one frame for each of the three or four important events in the scene.

Briefly describe the three or four most important events from the scene. List them in chronological order:

1. _____
2. _____
3. _____
4. _____
