

# SHREK

Name \_\_\_\_\_ Period \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** *As you watch the movie, answer each question. Answer in complete sentences except for where you are instructed to list your answer. Be specific in answering each question. For example, don't just list Donkey as the problem, include the conflict or challenge.*

1. What is Shrek's conflict with the fairy tale creatures?
2. Where does he go to try to solve this problem?
3. When he gets there, what challenge does he face in the arena?
4. Shrek is told to go on a quest. What is his first response? State his reason to go there.
5. What challenges does Shrek face on the way to the castle? List them all.
6. What challenges does Shrek overcome at the castle? List them all.
7. What challenges does Shrek face on his way back to Duloc? List them all.
8. On his back to the castle do any of Shrek's previous challenges become less challenging? List them all.
9. When Shrek delivers Fiona to Lord Farquaad is his quest over? What is Shrek learning about himself?
10. Was what Shrek thought to be his original problem, his real problem? What is the real reason for Shrek's quest?
11. Is Shrek's quest a success? Explain.
