

Define the words below. Additionally, if the word is followed by the page number from *Things Fall Apart*, copy the original sentence in which the word appears. Finally, create a flash card that has the work on one side and the definition and part of speech on the other side.

1. amorous
2. improvident (4)
3. plaintive (6)
4. incipient (13)
5. valediction (32)
6. exorbitant
7. poignant (34)
8. reveled (38)
9. feign (52)
10. harbinger (56)
11. elusive (59)
12. moribund
13. motif
14. wont (79)
15. sumptuous

Part A- Understanding Meanings

Read the sentences in each group below. If a sentence correctly uses the word in boldface, write C on the line of the corresponding number below the group. If a sentence is incorrect, rewrite it so that the vocabulary word in boldface is used correctly.

1. To feel **amorous** is to have thoughts of love.
2. A **plaintive** song is fast in tempo and upbeat.
3. A **moribund** organization is one that is not open to outsiders.
4. A **motif** is a reason for doing something.
5. A **valadiction** is a welcoming speech.

1. _____
2. _____
3. _____
4. _____
5. _____

Part B- Using Words

If the word (or a form of the word) in boldface fits in a sentence in the group below it, write the word in the blank. If the word does not fit, leave the space empty.

1. moribund

- (a) The patient, although _____, was in no pain.
 (b) Two aspirin did nothing to relieve my _____ headache.
 (c) Through gross mismanagement, the organization is now _____.

2. amorous
